Buckeye eco Disinfectant E-23: Concentrate

- Ordered from and delivered by Supply Warehouse.
- Buckeye Proportioner System delivers a predetermined amount and the directions are on the wall beside each installed system.
- There is a quart sprayer option or mop bucket option.
- Contact Supply Warehouse for any proportioner repairs.
- Ideal for mopping the Kitchen, Bathrooms, Apparatus Floor, etc.
- Soft surface: contact time is 10 secs and wipe off any excess product.
- Hard surface: Allow 10-minute contact time and then remove excess.
- **E-23 is not recommended to be used on Fire Fighting Gear by the manufacturer.**
- Must thoroughly rinse food surfaces and not to be used on food utensils/plates.
- Prepare fresh solution daily.
