The Texas Medical Board has adopted an emergency rule based on Governor Greg Abbott's issuance of Executive Order GA-19.

The rule requires the posting of minimum standards for safe practices related to COVID-19.

Starting Wednesday, May 20, 2020 EMS Headquarters personnel will start placing this notice in the patient compartment of all transport units. This will coincide with the required AED inspections and updates. The notice is to remain in view until further notice.

Any questions should be directed through the members' chain of command.
