All officers and members need to verify any gowns in their PPE inventory are HFD approved items. The only gown currently approved and issued by HFD Supply is the blue Protekcia gown pictured below. These gowns fasten in the back and have long sleeves.

If there are any other gowns in your station PPE inventory, pull them from use and contact EMS Supply at 832-395-8505 to have any unapproved PPE replaced.

The re-supply process of PPE outlined in *Memorandum #20-107 Body Substance Isolation Distributions* (March 27, 2020) is still current. Questions regarding this memorandum will be addressed through the chain of command.
